

DRAINAGE MAINTENANCE & REPAIR NOTICE

NOTICE

No.: MCD/Drain/Repair/2026/028

Date: 10 January 2026

Subject: Time-Bound Drainage Repair and Water-Logging Mitigation Works

In response to recurring complaints of water-logging and based on field inspections, **time-bound drainage repair and mitigation works** shall be undertaken in the identified area.

The scope of work includes:

- Removal of accumulated **silt, garbage, and construction debris**
- Repair, replacement, and reinforcement of **damaged drain sections and manholes**
- Temporary diversion of water flow, if required
- Installation of temporary pumping arrangements during rainfall events
- Testing of drainage flow post-repair

All works shall be executed under the supervision of the Zonal Engineering Department.

Issued in public interest by:

Commissioner **Yash Solanki**
